

SLO Guild Hall Project Authorization

Description of project

Attach drawings and cost estimates

Date: 19 December 2016 Log Number 046

Purchase and install six door pulls @ \$10.00 each.
Four installed on the outside of our self-locking doors so we can pull and make sure they are locked.
Two on stalls in the Women's room so they can be opened easily.

Architectural Committee Review

If the project involves changes to the layout of the buildings or grounds it needs to be considered by the Architectural Committee for addition to the Master Plan. This includes changing paint colors that are part of the Master Plan.
